SIDNEY, OHIO:
S. H. MATHERS & CO.
1857.

☞ MESSRS. BRAINARD & BURRIDGE, of Cleveland, execute our autographs so admirably, that, by way of experiment, we sent them our portrait—painted by Hanks in 1847, for a wood cut—which we purpose to give at a future time.—They will recognize the picture, and pronounce the outline perfect, who have seen the Editor writing a letter while carrying on a conversation—lifting up the head and looking at his auditor, the pen finishing a word half written. The price of cut is \$20. They have contracted to supply perfect fac similes of autographs for \$1 each.

☞ Correspondents are requested to add their Number to their names; and also add the Number to his name of any one concerning whom they write.

☞ The following have paid \$3, in advance: Edmund ⁸⁵⁶⁴ Copenhagen, N. Y., Mrs. M. Bradley ⁵¹²⁵ Granite, Cal., Jos. ⁴³⁹¹ Fairhaven, Vt., Z. R. ³⁹⁰⁰ Hampden, O., Chas. G. French, Indianapolis, Ia., Mrs. Sarah Arnold, Manchester, N. Y., Mrs. H. F. ⁴¹²³ Old Hickory, O., Mrs. Mary Grover. ³⁵⁸⁰ Springwater. ³⁵⁷⁸ E. P. Wing ⁶²⁷⁷ } S. Dover, N. Y., Erastus, ⁵¹²⁶ \$300.

The children were probably by the first wife. The S#3284 Lucy SHELDON listed on page 110r is in error. Lucy SHELDON should be Lucy BLISS.

SHELDON FAMILY DATA CARDS In order to make it easy for Sheldon families to record their data in a uniform manner so that it can be easily read and filed, it should be written on 3"x3" cards. The fac-similes shown below and on page 10 of the index afford space to record 22 important items of genealogical data on each "Head of Family" card and 15 items on every child listed on each "Children's" card. Record exactly, the items indicated, no more, no less. Biographical notes should be recorded on the reverse side of the cards or on separate sheets. The three different types will be furnished, no charge, in duplicate with the understanding one set be returned for our permanent records. Request the number required of each type. If addresses of members of the Genealogical Committee not known, see back cover of this volume.

The SHELDON FAMILY ASSOCIATION had been in existence long before 1870. This was about the time that S#2981 George SHELDON was agitating for formation of the POCUMTUCK VALLEY MEMORIAL ASSOCIATION at Deerfield, and S#3822 Henry L. SHELDON was gathering maps, books, portraits, bibl furniture, china and other out of use articles from the attics and ce of old Vermont families for his SHELDON MUSEUM. In the early 1900's a just before the first World War as many as 300 to 400 SHELDONs and the connections gathered at these annual reunions.

It was not until 1939 however, that a written constitution was adop and one of its purposes was to assist the SHELDON MUSEUM. In 1960 constitution was revised. The ASSOCIATION became non-profit, organ for the purpose of coordinating the genealogical and historical inte of the SHELDON Family and to assist in every manner possible, the "S MUSEUM", Middlebury, Vermont; the "OLD INDIAN HOUSE MEMORIAL" and th Sheldon Library in MEMORIAL HALL, Deerfield, Massachusetts.

Membership consists of descendants of the SHELDON or SHELDEN famili came to America prior to 1660 and those who have came into these fal through marriage or adoption. There are five classes of membership, ANNUAL, CONTRIBUTING, SUSTAINING and LIFE. HONORARY upon election.

The meetings are usually held during the first or second week of August each year, the even years in Middlebury and the odd years in Deerfield

In the distant future, if communication with the Genealogical Commit of the SHELDON FAMILY ASSOCIATION or the Editor as addressed herein to an end, the latest addresses may be obtained by writing the Cura of or by visiting any of the following Historical Shrines to all the name SHELDON.
